

13th-Century Prophet's Visions Still Coming to Pass

Thirteenth-century prophet Judah ben Samuel prophesied several events surrounding Israel that are still coming to pass in the modern era.

Down to specific years, ben Samuel prophesied how Israel would—or would not—be ruled.

“This was written a long, long time ago,” Jim Bakker says. “The only reason I tell it to you is because it all came true.”

Watch the video to see the specifics.
