In a what would turn out to be a prophetic livestream, yesterday morning Joseph Z had a word about “the shot heard around the world.”

“Prophesied same day of the attack a few hours before hand,” Z writes on Instagram. “I believe this attack will turn into a comeback!”

“The Lord shows us these things so that we can come into agreement to stop these things. We don’t want harm to come to anyone,” Reed says.

Prophet Charlie Shamp also gave prophetic warnings about an assassination attempt on Trump in 2017 and in 2018.

“When the enemy fails at an attempt to assassinate the President’s character and integrity,” Shamp writes on Facebook, “There will come an attempt to assassinate him physically. I believe that prayer can change these situations and that is why we must pray!”

These prophecies are words of warning that show we cannot pray lackadaisically anymore. The enemy will try to strike at all costs because our battle is against principalities and powers. However, the power of Christ is much bigger and greater than all forces of the enemy.
