

7 Years of Trump Assassination Prophecies

The attempted assassination of former President Donald Trump has shaken the United States to its core. Many did not want to believe that we were so divided as a nation, but this nearly catastrophic event has opened their eyes to a very real danger facing this country.

While the event is still shocking, several leading prophetic figures have been trying to warn of such a heinous act being committed against the presumed Republican nominee.

Here are five prophetic words given in relation to an assassination attempt against Donald Trump:

- **Brandon Biggs, March 14, 2024:** "I saw Trump rising up, and then I saw an attempt on his life," Biggs says. "This bullet flew by his ear and it came so close to his head that it busted his ear drum," he says. "And I saw he fell to his knees during this time frame and he started worshipping the Lord. He got radically born again during this time frame. People say he's saved now, but he becomes really on fire for Jesus for what I saw coming."
- **Troy Brewer, December 27, 2023:** "This is like a year of the 'Malchus miracle,'" Brewer shared with Charisma Media. "He had his ear chopped off in the Garden [of Gethsemane]. King Jesus Himself, He literally had to place an ear on him. I think that God has given us a new ear."
- **Joseph Z, the morning of Saturday, July 13, 2024:** "[There's going to be] an anointing that is turning into

a shout, and also going to begin to bring the 'shot heard 'round the world,'" Z shared. "I believe that is coming in a tremendous way."

- **Chris Reed, June 5, 2024:** "I've seen a vision over and over of former president Trump near a car getting in or out and someone trying to take him out. An assassination attempt," Reed says. "The Lord shows us these things so that we can come into agreement to stop these things. We don't want harm to come to anyone."
- **Charlie Shamp, 2017:** "When the enemy fails at an attempt to assassinate the President's character and integrity," Shamp writes on Facebook, "there will come an attempt to assassinate him physically. I believe that prayer can change these situations and that is why we must pray!"

As the nation moves forward following the hate-filled act against Donald Trump, there is only One who can lead this nation toward a righteous destiny: Jesus Christ.

Pray that people across the country realize this, and may we repent of our sins and turn our hearts back toward the One, true God.
