

700 Embrace Christ as God Continues 'Pouring Out His Spirit' in Greeneville Awakening

Spiritual revival continues in northeastern Tennessee, as the Greeneville Awakening is now in its 21st week.

Nearly 700 people have accepted Jesus Christ as their Lord and Savior so far.

CBN News spoke with the evangelist leading the services under a big tent near Greeneville, Tennessee, along with his wife, to get an update.

"God just continues to move; each week the crowds continue to build," Evangelist D.R. Harrison said. "People continue to come from all over the country."

He also said people from as far away as India have attended.

"God just continues to draw people; souls continue to be saved, and we're just amazed at what God's doing here in Greeneville, Tennessee," Harrison shared.

The Harrisons say D.R. originally was scheduled to preach a one-week revival beginning April 15 at the Greystone Freewill Baptist Church.

"And the crowds began to grow, and the excitement began to grow, and people were getting saved, and lives were being changed, and so it has just continued from there," Laura Harrison said. {eo}
