

8 Kim Clement Prophecies Fulfilled in 2024

God is still speaking through His prophets today.

One of the most accurate prophets of our day and age was the late Kim Clement. For years he gave detailed prophecies, especially in regards to what America would face in the coming years. Some of his prophecies that came to pass this year involved none other than the incoming president, Donald Trump.

1. The latest Kim Clement prophecy fulfilled by Trump involves him becoming Time Magazine's person of the year. The fulfilled prophecy from April 4, 2007 was posted on the Kim Clement Prophetic Rewind Facebook page.

Where Time Magazine will have no choice but to say what I want them to say. Newsweek, what I want to say. The View, what I want to say. Trump shall become a trumpet, says the Lord!

2. This took place after Trump's second win, fulfilling Clement's prophecy that Trump would be a two-term president.

Clement prophesied: "God says, 'I will put at your helm for two terms a president that will pray, but he will not be a praying president when he starts. I will put him in office and then I will baptize him with the Holy Spirit and My power.'"

In this prophecy, Clement specifically called out that Trump would be a "trumpet," making it clear to us in 2024 that this prophecy was about him.

3. Clement also prophesied about a coming "Strange July" and a

“Hypnotic November,” two months that we saw greatly impacted by Trump’s run for president.

Clement prophesied: “And during the fall there shall be many that shall fall and many that shall rise from the dust. The earth is standing prepared. I shall take it for the summer shall bring forth much in the temperatures. Strange July, strange July. Hypnotic November. And oh, Christmas, where winter shall say, ‘And me? I will make them happy.’”

In July we saw the Butler, Pennsylvania assassination attempt on Trump hit the entire nation in a hard and unbelievable way. Yet, by the time November came, we were truly in a hypnotic state with Trump becoming the clear winner of the 2024 presidential race.

4. Clement prophesied about the assassination attempts on Trump in 2004, 2005 and 2009.

Clement’s July 31, 2004 prophecy on spoke precisely to the time of day when the attempt would occur.

“There shall be one assassination attempt that will endeavor to destroy the plans that I have for this nation,” Clement prophesied. “But I will supply a very special weapon to this Nation which shall have the ability to see activities of the enemies in a very peculiar manner. This night is a Saturday night...”

The second prophecy from 2005 spoke of the “gatekeeper,” the Ronald Reagan of America whom someone would try to take out.

He prays and took the mantle of Ronald Reagan so that this nation may experience great revival. Great breakthrough, great, great, great, great breakthrough. But truly there shall be one that shall attempt to lead three others to his side to kill and to take out. But am I with you tonight where My warriors will stop an assassination because your prayers will make the difference.

In 2009, Clement further prophesied about three enemies and a coming assassination attempt. It also spoke the Kennedys, and the coming together of both Democrats and Republicans.

5. It is this prophecy about the Kennedys that also came to pass this year when RFK Jr. joined forces with Donald Trump.

“Now I will join hands between Democrats and Republicans and do an unusual thing, says the Spirit of God,” Clement’s prophecy said.

Now that the Kennedys have come to this place I spoke about it. That there would be a massive outbreking and outpouring in the system, in this nation. The political system. The three enemies that shall rise up are already on their way, I will take them, I will set ambushments against them, they will confound themselves, and this nation shall rise above the occasion and come to oneness with God.

6. Clement further prophesied in 2014 that unity in America would come as the leader of the people emerged from them, bringing gold.

This “gold” was spoken of by Donald Trump when during his victory speech.

“This will truly be the golden age of America. That’s what we have to have. This is a magnificent victory for the American people that will allow us to make America great again,” Trump said.

This reflects Clement’s prophecy when he said, ““They were one. One party. One party of people. It continued until I realized that the unity of these, amongst them stood one that God had set aside to be the leader of this nation. And then I

heard, 'gold.'”

7. Clement also prophesied about a ‘Stunning September,’ which turned out to be when the second assassination attempt on Trump occurred.

The second assassination attempt happened while Trump was playing golf, which Clement asked in the prophecy, ““You say, ‘What of Syria and what of a man who is on the golf course?’”

8. The Left tried to place a woman in the White House who was ungodly, something Clement warned us about.

Clement prophesied that the enemy would do everything they possibly could to place a witch in the White House. This was a call to prayer for the man that the Lord had raised up to be the leader of the nation, so that he would have the victory.

“God says, ‘Once you recognize the man that I have raised up, pray. For the enemy will do everything in his power to put a witch in the White House,” Clement prophesied.

As we see the fulfillment of these prophecies come to pass, it’s clear that the Lord is trying to speak to His people through the prophetic, and we must have the ears and the hearts to listen to what He has to say.
