

Amanda Grace: Prophetic Warning Predicted DC Air Disaster?

On Jan. 29, 2025, a tragic plane crash sent shockwaves across the nation, and prophetic voices are now urging believers to take notice. Could this devastating event be tied to a pattern of warnings from the Lord?

During a recent livestream, Amanda Grace highlighted eerie connections between the American Airlines and Black Hawk helicopter crash to previous prophetic warnings she received from the Lord. She also points to other biblical signs that show something sinister was likely at play during the night of the crash.

Grace's dream from 2021 involving American Airlines foreshadows what we just saw happen to this passenger plane.

"The Lord put me into a deep sleep and when I went into this deep sleep the next thing I know is that I'm standing on an undisclosed launchpad site," she recounts. "Next thing I know comes over the hedge of American Airlines Boeing 747."

In the rest of the dream, Grace saw missiles shooting down the plane, clearly having a connection to the military. She says that in her dream, the missile was waiting for the plane to come overhead.

Grace also prophesied in 2021 about a coming scandal that would occur in relation to a major airline.

"And the Spirit of the Lord says this day, 'A major scandal

with an airline shall break forth in the midst that will be even more unsettling to the people. And they shall gather in the streets and make their feelings known'," Grace prophesies.

Further, Grace says the plane's name as an "American Eagle" has a direct biblical implication and warning.

"Hosea verses 8:1-3 says, 'Set the trumpet to your mouth he shall come like an eagle against the house of the Lord because they have transgressed my Covenant and rebelled against My law. Israel will cry to me, "My God, we know You!" Israel has rejected the good; the enemy will pursue him'," she says.
