

Amanda Grace Prophetic Word: 'A Trap Has Been Set'

In a stunning prophetic message, Amanda Grace gave a word from the Lord that fell on her suddenly while she was preparing to share an entirely different topic.

"I got on my face before the Lord and I started to pray," Grace says. "And this word came from that."

The word began with a cry for God's children to call out to Him during this time of great confusion and deception. It also calls out for a time of exposing deep, dark things that have been hidden in America's banking system and what is happening at the border.

"The territorial spirits are compelling those filled with darkness to cross over, that they may position them in areas that are set to be turned over for the truth. And they are being positioned purposefully in those areas to attempt a coup, a takeover, a hostile takeover," Grace prophesies.

Grace also prophesies that there are those in positions of power that are part of a Hamas infiltration.

"Hamas is in those departments, says the Lord, the offshoot of them in order to circumvent Israel, to feed information to attempt an ambush of Israel in Lebanon, says the Lord. Oh Israel, says the Lord, an ambush, an ambush. Be vigilant right now for a trap has been set," says Grace.

Grace also warned against the powers of the dark arts that would try to stir things up at the end of the month and into the beginning of November.

"The enemy in this hour is attempting to stir a spiritual cauldron," says Grace. "Pray my children that this is thwarted, that the plan is exposed, and that cauldron is destroyed for the attempt to stir it up around the time of the darkest day of October going into the first few days of November."

"They are beginning to chant, to rant, to cut themselves for blood. They gather to speak their curses and spells and incantations to summon in powers of darkness that are meant to run interference. They are attempting to summon a spirit of death upon candidates and their children, says the Lord. The focus is slightly shifting to their children," Grace warns.

During this time, the body of Christ needs to be in prayer for both Israel and America. When the name of Jesus is proclaimed, the enemy has no choice but to flee.
