A God Moment for America

Arayomi's message clearly shows that God has granted America a reprieve, a moment to turn back to Him. "Do you want a golden moment, or do you want a golden age?" he asked, urging the nation to choose wisely.

This is our chance to embrace God's call, to praise, worship and honor Him in all we do. If America heeds this call, the Lord's blessing will surely follow. Let's not waste this opportunity, but instead, move forward with faith, obedience and a renewed commitment to God's will.
