

Audio: The Fascinating History of the First Messianic Jews

This summer, I gave a message at the Messianic Jewish Alliance of America's () yearly Messiah Conference. In this message you will find material that you have not heard before.

Most of it comes from my research for writing the second book in the Identity Theft Series, *The Roman Connection*. We had lots of fun sharing—I think you will enjoy it.

You can listen to this important message by clicking on this link.
