

Awakening Gathering Inspiring Intercessors to Rebuild the Wall

The Liberty Counsel is gearing up to inspire Christians through the Awakening 2015 conference.

The event, to be held this weekend in Orlando, Florida, will feature noted Christian leaders and politicians.

Leaders like Franklin Graham, Mike Huckabee, Rick Santorum and the Benham brothers are scheduled to speak about American freedom, patriotism and motivation to stand up for faith among growing animosity toward Christians.

The theme is "Rebuilding the Wall," from Nehemiah. In the story, strangers and friends stood side by side to focus on the task at hand.

The same could be applied to the need for America to return to its godly roots, and perhaps Awakening is the tool to do just that.
