

Biden Cover-Up? Congress Wants Answers About the 'Autopen' and His Mental State in Office

WASHINGTON, D.C. – The book “Original Sin,” by journalists Jake Tapper and Alex Thompson, has shaken official Washington with its in-depth look at efforts by White House and Democrat officials to cover up Joe Biden’s obvious mental decline. The authors provide numerous examples, including a town hall event staged by the 2024 campaign that went south.

“Joe Biden’s town hall, which was closed to press, was so bad that campaign officials determined that it was not usable for a campaign commercial,” says “Original Sin” author Alex Thompson.

Chris Whipple, author of the bestselling book “Uncharted” that documented the 2024 campaign, has similar stories from his White House sources. Whipple recounts one story of Biden preparing at Camp David before the infamous debate disaster against Donald Trump.

"He wandered out at one point to the pool and sank into a lounge chair and fell down to sleep, and yet the Biden camp kept sailing toward that iceberg, the debate," Whipple tells CBN News.

Whipple isn't convinced this amounts to a full-fledged Watergate-style cover-up. He thinks it's more about Biden's top aides becoming more delusional and convinced that Biden was the only Democrat who could beat Trump. "The stunning thing to me is that nobody ever sat Joe Biden down and said, 'Mr. President, you sure about this?'"
