

BREAKING NEWS: Shots Fired at Trump Rally

Shots were fired at former President Donald Trump's latest rally in Butler, Pennsylvania.

During the rally, gunshots were heard. Trump ducked down and Secret Service agents flooded the stage to protect the former president. Audible screams can be heard from the crowd. The former president was then quickly escorted off stage. He moved his fist up in the air as he was leaving the stage while supporters screamed "USA."

ABC News is reporting that the Secret Service has confirmed Trump is safe. They have also received reports now of a shooter being dead, according to Butler County's District Attorney, Richard Goldinger. He also told the outlet that there is one confirmed bystander dead and a potential second as well.

Senator Tim Scott shared on X that he is lifting Donald Trump up in prayer at this moment.

This is a developing story. Please lift up Trump and our nation in prayer during this turbulent, uncertain time.
