

Charisma House Signs New York Times Best-Selling Author Brigitte Gabriel

Brigitte Gabriel, *New York Times* best-selling author, founder and chairman of ACT for America, has signed on to publish her upcoming book with FrontLine, an imprint of Charisma House. *Rise: In Defense of Judeo-Christian Values and Freedom* will release on Sept. 11, 2018.

Gabriel will address current cultural threats to our nation such as kneeling for the national anthem, flag burning, antifa disruptions and mainstream media corruption. *Rise* is a battle cry for those seeking to preserve freedoms, maintain national security and protect areas of everyday life from the PC police.

“It is an honor for us to establish this new publishing relationship with Brigitte Gabriel. She is an important and influential voice in politics and American culture today. We look forward to helping bring her message to our mutual audiences and platforms,” says Marcos Perez, publisher and executive vice president of Charisma House.

Facing death threats from terrorists and condemnation from critics, Gabriel refuses to back down and continues to be one of the leading terrorism experts in the world. She has addressed the United Nations, members of the U.S. Congress, the Pentagon, the Joint Forces Staff College, the U.S. Special Operations Command, the FBI and many others. Gabriel is a guest analyst on Fox News channel, CNN, MSNBC and radio stations across America.
