

Christ Revealing Himself to Jews in Miraculous Ways

Think back to when you first encountered Christ, how He enveloped you in love, washed away your sins.

This miracle and prophetic fulfillment is happening across the globe. It's not just Gentiles who are finding the love of God, but His own people, as well.

These testimonials, *I Met Messiah*, are being documented online.

Producer Eitan Bar says that most Jews grow up not even considering Jesus—Yeshua—to be the long-awaited Messiah, and believing in Yeshua only fulfills Jewish roots, not distracts from.

The video testimonials feature Messianic Jews—that is, Jews who embrace Jesus as Messiah.

“I hope you will watch with an open mind and allow the Holy One of Israel to speak to your heart,” Bar says. “Enjoying a personal relationship with God through the Messiah is the greatest joy of our lives and I pray that this will be true for you as well. Who knows, you might begin with curiosity and conclude with faith. We offer these stories to you and hope that your relationship with God will deepen through meeting our Storytellers!”
