

Christian, Beware: Israel's Ultimate Enemy Is Ours Too

When Israel is waging war against Hamas, Iran and other radical Islamic entities, it is fighting America's enemies too. That's why the slogan of Yemen's Houthis rebels reads, "God is Great, Death to America, Death to Israel, Curse on the Jews, Victory to Islam." America and Israel are deeply intertwined.

As Netanyahu said in his speech to Congress:

That's why the mobs in Tehran chant, "Death to Israel" before they chant, "Death to America." For Iran Israel is first; America is next. So, when Israel fights Hamas, we're fighting Iran. When we fight Hezbollah, we're fighting Iran. When we fight the Houthis, we're fighting Iran. And when we fight Iran, we're fighting the most radical and murderous enemy of the United States of America.

Ad one more thing. When Israel acts to prevent Iran from developing nuclear weapons, nuclear weapons that could destroy Israel and threaten every American city, every city that you come from, we're not only protecting ourselves. We're protecting you.

My friends, if you remember one thing, one thing from this speech, remember this: Our enemies are your enemies, our fight is your fight, and our victory will be your victory.

I agree with the prime minister's words and feelings, but they only provide the natural parallel to the spiritual point I wish to make here. And so, if you remember only one thing from this article, remember this: Israel's greatest enemy, the devil himself, is out to destroy you too.
