

Israeli Leaders Praise Christian Life Missions

✘ In 2006

Israeli leaders gave Christian Life Missions a message commending the nonprofit organization for giving to the country during the second Lebanese war. Below we've transcribed the Hebrew message signed by the heads of the municipalities in the north of Israel.

From

The 2nd Lebanon War in 2006

Whoever makes peace in heaven will make peace with Israel.

This is in appreciation in honor of that which was given on Thursday, October 12, 2006.

This certificate is presented to

Christians Life Missions

For your generosity, your donations and your activities for the residents of the people who live on the border in Israel.

In the days of the 2nd Lebanese war, your generous assistance helps us to hold on in the terrible days of war and strengthen our self-determination to hold on in the country.

May you be blessed and may your prayers from the Bible become true to you,

The one who comes in strength are heroes to

stand against the storm, You are our strength in the days of
rage.

We hold you hand and strength your hand and wish
you blessings.

Signed by all the heads of the municipalities in
the north of Israel.
