

Christians Join With Israel's Messianic Jews for Historic Meeting in Gehenna

One Message, a ministry of Promise Keepers, will host the historic Jesus Reigns Israel event this fall to unite Christians and Jewish believers worldwide.

Happening in Gehenna outside Jerusalem on Sept. 17, it's expected to be the largest virtual gathering of Christians in history. In the Old Testament, Gehenna was known as the gates to hell because people burned their children there as sacrifices to a god of fire.

The Jesus Reigns event will be broadcast through simulcast and the Internet in the U.S., Israel and other nations. Christians around the world will unite to witness this historic summit.

One thousand Christian pastors from the United States, Europe, Africa, South America and Asia will join together with Israel's Messianic Jewish community for a historic meeting that will send the message worldwide that Jesus reigns, that Christians must help the poor and that Christians must obey the Word of God and stand as one with the people of Israel to increase faith in God across our planet.

One Message and Promise Keepers will host a news conference Friday to discuss the historic event and how pastors from across America can travel to Israel to change lives. Messianic rabbi Jonathan Cahn, an internationally known author and preacher, will speak at the news conference, which will be held at 11 a.m. at the Jerusalem Center in Wayne, N.J.
