

Clay Clark's ReAwaken America Tour Selling Out Fast

Clay Clark's ReAwaken America Tour has brought truth to people at each and every tour stop since the first event in April 2021. Major presenters such as Gen. Michael Flynn, Freedom Fighter Scott McKay and MyPillow's Mike Lindell have provided outstanding keynotes about preserving our election integrity and our freedoms.

Doctors such as Richard Bartlett, Simone Gold, Mark Sherwood, Sherri Tenpenny and Rob Marsh, provide highly informative presentations providing the truth about COVID-19 prevention and treatment. Pastors such as Greg Locke, Todd Coconato, Dave Scarlett and Amanda Grace emphasize the importance of the most important truth we know—the gospel of Jesus Christ.

In addition to the informative presenters covering a broad range of cultural topics including COVID-19 facts, fiction and treatment, they discuss our legal rights concerning various mandates, the truth about election fraud, the truth about defunding the police and cancel culture, medical corruption and more. Scarlett, founder of His Glory Ministries, and Amanda Grace, co-founder of Ark of Grace Ministries along with her husband Chris, also bring the truth of Jesus, prophetically ministering, teaching people and even conducting baptisms.

"Many people attend the conferences looking for truthful answers to current events, which are expertly addressed," Clark says. "But the real truth people seek, most of whom don't realize it, is the person of Jesus Christ."

This claim seems to be supported with the reports from each tour stop.

The first stop in April at Tulsa, Oklahoma, this year reported

over 4,000 in attendance, with hundreds coming forward to give their lives to Christ. The next stop was in June, in Tampa, Florida, which reported an estimated 1,000 water baptisms.

The third stop in Anaheim, California, at Pastor Phil Hotsenpiller's Influence Church, was held inside a massive tent and attended by over 2,900 despite the triple-digit heat. But perhaps even more impressive is the number of people willing to drive over 36 miles to San Clemente to be part of the water baptism offered by Grace and Scarlett, along with *Western Journal* founder Floyd Brown.

Amid much joy, celebration and tears, an estimated 250 people were water baptized in the Pacific Ocean. The touching video capturing the San Clemente baptisms is worth viewing.

All of this provides growing evidence of the tremendous hunger people have for discovering truth.

"When people search genuinely search for truth, they will find Jesus," Clark says. "God showed me, Jesus is King, and for us to win this, we have to shift this country from blue to red—not red of the Republican logo, but the red of Jesus' blood."

Scarlett and Grace are traveling to the next tour stop, Aug. 19-21, in Grand Rapids, Michigan. They both anticipate the same hunger for the truth, namely Jesus, and are prepared to baptize, pray and minister with each and every person seeking truth, as they have consistently done, giving hours of their time late into the evenings. This conference is already sold out, but it and all tour stops are livestreamed from the following platforms: , , and *lindelltvb.com*.

The following event in Colorado Springs, Colorado, on Sept. 24-25 is nearly sold out, and organizers expect the tour stop in San Antonio, Texas, on Nov. 11-13, to sell out soon.
