Elon Musk: 'I Agree' With Jesus' Teachings

Tesla co-founder and CEO Elon Musk recently shared his thoughts about Jesus Christ and religion during an interview with the satire website, *The Babylon Bee*.

While most of what the Bee does is for comedy, their interview with Musk took a turn into a serious subject of eternal significance—salvation through Jesus Christ.

Throughout the interview, the SpaceX entrepreneur had answered questions about multiple topics with the Christian website's CEO Seth Dillon, Editor-in-Chief Kyle Mann and Creative Director Ethan Nicolle.

Christian Nurse Fired for Wearing Cross Necklace Vindicated in Court

An employment tribunal in the United Kingdom ruled Wednesday that the NHS Trust harassed and directly discriminated against a Christian nurse for wearing a cross necklace at work.

Represented by attorneys with the Christian Legal Centre, a legal ministry of the watchdog group Christian Concern, Mary Onuoha, was told by the tribunal that she had been victimized by Croydon Health Services NHS Trust.

As CBN News reported, Onuoha sued her former employer in October, alleging she was intimidated and forced out of her job because she wore a cross necklace.

Second Thessalonians 2:3-4 says that before Christ comes, there must be a falling away and a great rebellion against God. It is apparent that is happening not only in secular society, but also within the church. {eoa}
