Here's a quick summary of the top stories on :

Lou Engle: Why Communion Will Play a Huge Part in America's Revival

Is it possible that revival in America and the nations will come through communion?

Lou Engle, an intercessor for revival and co-founder of The Call global prayer and fasting movement, believes the answer is yes.

He's calling the nation to Colorado Springs, Colorado on October 8, 2022.

Jonathan Cahn to Release Most Explosive Book Yet on Sept. 6, 2022

Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world—and that they now have returned?

New York Times bestselling author Jonathan Cahn has dedicated his life to uncovering the ancient mysteries found in biblical texts, first with his critically acclaimed book *The Harbinger* and recently with his blockbuster feature film, *The Harbingers of Things to Come*. Now, Cahn is back with his most explosive work to date—*The Return of the Gods*. The new book will be available on Sept. 6, 2022.

While Cahn is known for revealing the stunning mysteries, many

from ancient times, that lie behind and are playing out in the events of modern times, *The Return of the Gods* takes this to an entirely new level and dimension. In the book, Cahn takes readers on a journey from an ancient parable, to the ancient inscriptions in Sumer, Assyria and Babylonia that become the puzzle pieces behind what is taking place in the world to this day, specifically in America.

Amy Grant Released From Hospital, Postpones August Tour Dates

Contemporary Christian musician Amy Grant is out of the hospital but needs to recuperate at home and postpone some concerts after a bike accident.

“Due to the doctor’s orders she has had to postpone her upcoming August concerts,” said Velvet Kelm, Grant’s spokeswoman, in a Friday (July 29) statement.

The singer/songwriter has been released and is “resting comfortably at home,” Kelm said, after spending a couple of nights in a Nashville, Tennessee, hospital for treatment and observation. {eo}
