Prophet Says, 'We Are Watching the Collapse and End of America'

Spirit-filled pastor and prophet Tom Hughes says that, with the election of Joe Biden as president of the United States, the door has been opened wide for Bible prophecy to be fulfilled as we are methodically headed toward globalism and a one-world government.

The lead pastor of 4/12 Church in San Jacinto, California, says worldwide events are happening quickly to reach that point. Vladimir Lenin, former premier of the Soviet Union, once said, "There are decades where nothing happens; and there are weeks where decades happen."

Right now, Hughes says, we are definitely in the middle of the latter.

Grant Berry Makes Prophetic Declaration of Restoration in the Church

After six years of writing, preparations, and teachings. *The Romans 911 Project* will launch this Saturday on 9/11, "Shabbat Shuvah," which refers to the Shabbat that occurs during the 10 days between Rosh Hashanah and Yom Kippur.

Watch the two-minute video above as Grant Berry make a prophetic declaration towards this restoration in the church.

At Reconnecting Ministries, we believe that God is moving His body into the restoration of all things and that before He can

send the fire and the fullness of His glory upon us, Yeshua's/Jesus' prayer of John 17 needs to be fulfilled. This is going to require a different approach from His church, especially now that Israel is awakening, and we draw closer to their spiritual restoration; there is a great need to restore love between us and rebuild the spiritual walls of the *ekklesia*.

That includes my wife, Nancy, whose brother Douglas died in the World Trade Center, leaving behind his precious wife and two children. Yet this anniversary is especially painful, not simply because it marks 20 years since that fateful day in 2001 but because of our disastrous withdrawal from Afghanistan, with the Taliban now fully back in power.

In September 2018, after doing a TV shoot in Missouri, I was driven to the airport by a young man who had served in Afghanistan as a helicopter gunner.

I said to him, "You must have lost a number of friends and colleagues." {eo}
