'Targeted' Mom Arrested at School Board Meeting Files Federal Lawsuit

A Rochester, New York, mother has filed a federal lawsuit against her school board after being arrested during a meeting last year for supposedly not wearing her mask correctly.

Appearing on SiriusXM host Megyn Kelly's show, Shannon Joy recalled the incident in question when she wore her mask just below her nose. At a certain point, the school board broke for a recess, and members purportedly called 911 and directed authorities to arrest her for her violation.

Once police arrived, Joy was handcuffed, arrested and charged with "trespassing."

At The Renewal, Kent Christmas Prophesies 'This is the Beginning of the Final Harvest'

At The Renewal crusade in Plant City, Florida last Saturday, Kent Christmas, founding co-pastor of Regeneration Nashville, released a prophetic word unto our nation that this year, 2022, will be the beginning of the final harvest for God.

Christmas says the pain that the wicked has inflicted on his people in past years come back on the evil who perpetrated it, and this movement of the Lord will shine forth His glory in all the earth.

Christmas prophesied the Lord said:

“God says I feel the pain of my people, the Lord said I never created you to suffer, but I created you to triumph. In the year 2021, I began to uncover the hearts of men, not only in this nation but around the world. I began to divide, says the Lord, who is on whose side. But this year, sayeth the Lord, is not a year of dividing but this is a year of conquering for the church for the most high.”

End Times Expert Warns Bare Store Shelves Will Get Barer Soon

It is happening again. In December, Joe Biden stood in front of the American people and boldly declared that he had defeated the supply chain crisis but of course that wasn't true. There have been persistent shortages for months on end, and now fear of Omicron is taking things to an entirely new level once again.

On Monday, the hashtag #BareShelvesBiden was trending on Twitter, and that is because shelves are alarmingly bare in supermarkets from coast to coast. We are being told that these shortages are only “temporary” but of course that was what we were told when nationwide shortages first began to pop up all the way back in early 2020.

Unfortunately, food industry experts are warning us that supplies are going to get even tighter in the weeks to come. For example, the following is what billionaire John Catsimatidis just told Fox News. {eo}
