

CN Morning Rundown: The Spirit of Antichrist in Demi Lovato Has Finally Revealed Itself

Here's a quick summary of the top stories on :

The Spirit of Antichrist in Demi Lovato Has Finally Revealed Itself

For years, Disney alum Demi Lovato has struggled with her identity and mental health.

She suffered from addictions, and even jumped on the pronoun bandwagon, but recently changed them back to her original "she/her" designation.

For a while, it looked like she was recovering from the spirits that had been plaguing her body, soul and mind.

Jonathan Cahn Unmasks Hidden Deities of Old Infiltrating America

In a world more determined than ever before to deny religion, have the gods of old returned to America—and become the unseen catalysts behind the decline of modern culture?

New York Times bestselling author Jonathan Cahn has spent his life uncovering ancient mysteries in biblical texts, first with his critically acclaimed book *The Harbinger* and recently with his blockbuster feature film "The Harbingers of Things to Come." Now, Cahn is back with his most explosive work to date—*The Return of the Gods*.

The new book will be available on Sept. 6, 2022.

Chuck Pierce Prophecies: The Lord Says, 'The Path of This Nation Is Changing'

In every new season, we must embrace *change*. Sometimes, we get in such a rut and routine in where we are going and what we are doing, that we lose the ability to adapt and change in the midst of God's changing times.

When we encounter roadblocks or detours, we don't always perceive that the Lord might be in our midst, bringing change to our direction.

[Sunday's] Celebration Service was a clarion call to submit to changing pathways, and to see and move in new ways {eo}
