This is the Fate of US Citizens Trapped in Afghanistan

Last month, US forces left Afghanistan after the largest airlift in US history. Although thousands were evacuated, the Biden administration left behind an unknown number of Americans.

The effort to rescue them isn't over as Afghans face arrests, abductions and executions under Taliban rule.

Chad Robichaux, a former Force Recon Marine and Afghanistan veteran, is working to rescue those left behind.

How to Conquer the Unseen Demonic Realm

Kathy DeGraw has been a preacher of the gospel and a deliverance minister for years. But one thing that puzzled her during this time was why many believers weren't familiar with the Holy Spirit.

Many of these people, she says, didn't know how to co-labor with the Spirit to accomplish all that God had for them. It was disheartening for her to see many Christians struggle with something that could revolutionize their relationship with the Lord.

Her book, *Prophetic Spiritual Warfare* (Charisma House 2021), reveals how the Holy Spirit is our Helper and when we partner with Him, we can tap into His tremendous power.

Nations Headed for the Great and Final Divine Divide

Matthew 25:31-33 reads, "When the Son of Man comes in His glory, and all the holy angels with Him, then He will sit on the throne of His glory. Before Him will be gathered all nations, and He will separate them one from another as a shepherd separates his sheep from the goats. He will set the sheep at His right hand, but the goats at the left."

This pertains to believers and unbelievers; those who are saved and those who are perishing. In I Corinthians 1:18, the apostle Paul says, "For those who are perishing, the preaching of the cross is foolishness, but to us who are being saved it is the power of God."

Is the message of the cross foolishness to you, or is it the power of God? {eoa}
