

Could This Be the Biggest Prophetic Sign of the End Times?

What is the No. 1 prophetic sign? What sign, more than any other, points to the soon return of Jesus Christ?

While any number of signs are present, I believe one stands out above all others. In fact, Jesus Himself told us what it is.

When the disciples said, “Tell us ... what will be the sign of Your coming and the end of the age?” (Matt. 24:3b), Jesus detailed a number of things to look for.

He then said, “So also, when you shall see all these things, you can know that it is near, even at the door” (Matt. 24:33).

He also said, “When these things begin to happen, look up and lift up your heads, for your redemption is drawing near” (Luke 21:28).

This means the No. 1 sign of Jesus’ return is all the signs appearing together.

Both Jesus and the prophets told us what signs to look for, and the appearance of just one is reason enough to take notice.

But the arrival of one sign after another should really get your attention. This convergence of signs is the No. 1 prophetic sign—the No. 1 reason to believe Jesus is right at the door.

The Convergence of Signs

The Bible tells us a number of events will take place just

prior to the return of Jesus. Generations of Christians lived and died without witnessing one of these signs.

Yet our generation is witness to all of them.
