

David Benham Shares the Radical Testimony of the Woman Behind Roe v. Wade

He's one of the biggest names in the pro-life movement, and with good reason. David Benham knew Norma McCorvey, the "Roe" in Roe v. Wade, well.

The Benham family often invited McCorvey and her lesbian lover, Mrs. Connie, to eat dinner with them as they built a life-changing relationship.

When the couple got saved, Benham says he and his brother Jason got a truck and helped move Mrs. Connie out so the two could honor the Lord. McCorvey went on to testify before Congress about the truth behind abortion—and her own story.

In this special episode of the *Charisma News* podcast, brought to you by Quartermaster Stewardship, Benham speaks frankly about the history of Roe v. Wade, Planned Parenthood and why we absolutely must March for Life.
