

Disgusting Ezekiel 5 Prophecy About Cannibalism Appears to Be Coming to Pass

Venezuela's grim outlook just plummeted once more as reports surfaced of a cannibal slaughtering and eating other imprisoned inmates.

"More than 40 prisoners attacked him," Carlos Herrera, father of prisoner Juan Carlos Herrera, said, according to a translation. "They stabbed him and hung him to bleed him out. Mr. Dorancel, known as 'The People-Eater,' was the one who butchered him to feed him to all the prisoners in the Táchira prison."

Ezekiel prophesied this disgusting pagan ritual.

"Because of all your detestable idols, I will do to you what I have never done before and will never do again. Therefore in your midst parents will eat their children, and children will eat their parents. I will inflict punishment on you and will scatter all your survivors to the winds," he wrote.

God also warned against cannibalism in Leviticus and Lamentations.

The world appears to have turned a blind eye to the pleas of Venezuela. More than 15 percent of residents eat trash to survive while the socialist government lavishes themselves.

"It is very sad. Only God can change my country," journalist Andrea Gonzalez Larios says.
