

DNC Sets Up Bizarre 'Gender Neutral Prayer Room,' Bathrooms

The Democratic National Convention isn't even finished yet, but it certainly has already made a wave with its wild agendas.

We've already seen the DNC's abortion worship with Planned Parenthood's free abortions, vasectomies and chemical abortion pills along with a giant inflatable IUD. However, this was just the beginning as they essentially eliminated womanhood by turning at least one women's restroom into an "all-gender" restroom and created a "gender neutral prayer room."

The Christian Post shared a clip by Brent Scher on X which documented what the gender neutral prayer room looked like. The space was covered by black curtains, and when Scher pulled the curtain back, Muslim prayer mats, a table and some cleaning wipes can be seen in the area.

By trying to show their solidarity with minority groups, the DNC may have actually offended a group of people as Muslim men and women typically pray separately. Islam is also known for being opposed to the LGBTQ agenda as well. For Christians, the term "gender neutral prayer room" doesn't quite make sense since men and women typically worship together anyway.

Scher also posted on X that there are separate men's and women's prayer rooms as well, equipped with Muslim prayer mats. Perhaps this is for those who are less open to the idea of a gender neutral, LGBTQ identifying Muslim.

The all-gender restrooms present at the DNC are also women's restrooms that they turned into ones for both men and women. The map can be seen in an X post by Jeryl Bier.

For the party who claims to be all about women, so far, the only thing they've demonstrated at the DNC is the view that women have the right to end the lives of unborn females, and that womanhood is nothing more than whatever you'd like it to be. Clearly, men are still men, but women are being purported as some unidentifiable species. The world we are living in is truly upside-down, calling evil good and good evil.

Perhaps it's time to go back to the beginning. Genesis 1:27 reminds us that God "created man in His own image; in the image of God He created him; male and female He created them."

God only ever meant for there to be two genders: male and female. Both men and women are created in the image of God, and both have importance. Our world needs men and women, not one or the other. Let's pray that those who have been deceived by the ways of this world would have their eyes opened to the truth of God's Word and what He says about creation.
