

‘Donald Trump: The Outlier’: New Film Reveals Mysteries to Trump’s Political Past and Future

Troy Black’s new documentary “Donald Trump: The Outlier” offers a deep dive into the unexpected rise of Donald Trump to the presidency in 2016, while also exploring his chances of winning again in 2024.

Black’s film seeks to answer the central question of recent political history: “How did Donald Trump rise to power?” By revisiting his historic campaign, Black provides new insights into the forces behind Trump’s success and examines the pivotal events that shaped his presidency.

With interviewees including singer Danny Gokey, “Charisma” magazine founder Steve Strang, pastor and influencer Marcus Rogers, author Randy Kay, political commentator Tamara Scott and Dr. Ryan S. Howard, the film explores the wide-ranging impacts Trump has had on both his supporters and detractors. Offering a fresh perspective on this most unique of political journeys, each interview reveals unique angles on Trump’s rise and diverse perspectives on his leadership style, policy decisions and cultural movements that contributed to his victory.

Trump’s presidency is portrayed as a puzzle that only hindsight can fully piece together. “Donald Trump: The Outlier” explores the 2016 election as a watershed moment for a candidate who defied expectations and upended traditional political norms. The film also considers the ongoing question of whether Trump’s unique brand of politics will lead him back to the White House in 2024. Analyzing the wide spectrum of forces that helped him secure victory in 2016, the documentary sheds light on what may lie ahead for Trump’s—and the nation’s—political future.
