

Dutch Sheets Leads Destruction of Valkyrie; Heavenly Petitions Continue

Neither the cold nor the hour kept people from gathering outside Independence Hall in Philadelphia, Pennsylvania at 3 a.m. today. The meeting of prayer warriors is part of a national movement—now in day 26—where daily prayer and declaration call for the destruction of Valkyrie, a plan to take over the country.

The organized appeal will continue until the election crisis is over, Dutch Sheets said. “Over” is defined as seeing President Donald J. Trump inaugurated Wednesday, Jan. 20.

Following a series of in-church and livestreaming services in multiple states, people gathered to continue praying and to witness the destruction of Satan’s plan to steal the election—to steal the nation.

Onlookers photographed and videotaped what could be an angel over Independence Hall at 3 a.m., precisely when a prophetic dream said the attack would be defeated.

Rather than stand down, however, Sheets picked up this morning with Day 26 of Give Him 15, the movement that unites the warriors who are called and committed to pray, declare and even repent for 15 minutes each day.

This morning, Sheets tweeted:

Join me each day as we pray for our nation until the election

crisis has resolved. I'll be reading the daily Give Him 15, making comments, and then we will pray together. Let's Appeal to Heaven for America. Download the free Give Him 15 app.

"We have something quite unusual to present to you today, and something I feel is extremely important," Sheets said in his video address. Word for word, he shared an "Appeal to the Supreme Court of Heaven":

"Your Will for these United States of America, and enjoining that the earthly result of the pending elections for the United States of America's President, Senate and House of Representatives be accomplished now on earth in accordance with Your Divine Kingdom and Will in Heaven, namely that Donald J. Trump be re-elected President of the United States, with sufficient supporting numbers in both Houses of Congress for Your Will to be accomplished in and for this nation," are some of the words in the appeal. It includes statements of Our Humiliation, Our Prayer and Our Seeking of Your Face as an example of how it guides each person through a legal-type declaration. At the end of the appeal, there is a place for the declarer's signature, a seal of their standing.

Sheets encourages people to read the appeal aloud and sign their name. In addition to the power of the spiritual warfare regarding the election, it's also part of the spiritual awakening in which he focuses as a minister.

Give Him 15, also known as GH15, itself originated from a prophetic word. There's also an app to make participation easy using a smartphone.

One prayer warrior tweeted, encouraging others to join in:

@dutchsheets is calling the Ekklesia to arms in the Spirit.

Prayers for the nation will go forth beginning at 12:30 AM 12/02/2020. Let's engage in #OPERATIONVALKYRIE

See for your specific assignment!

While it's believed that Valkyrie has been defeated, people all over the country continue to pray, fast, decree and sound their shofars to stand for the values and intentions of America's Founding Fathers. {eoa}
