

Empowered21 Announces Wind and Fire Asia Congress and Generation Go! Next Gen Conference

Empowered21 will fan the flame and fire up a generation with its Asia Congress '17 in Singapore May 31-June 2, 2017. Themed *Wind & Fire*, the Asia Congress sessions will be held at the Singapore Expo, the largest convention and exhibition venue in Singapore. The celebration of the Holy Spirit during the week of Pentecost will feature Spirit-empowered speakers, worship leaders from the 45 nations of Asia.

“The nations of Asia continue to experience an Acts 1:8 outpouring of the Holy Spirit by modeling how prayer, praise, and unity yield opportunity for new generations to experience a fresh outpouring of God’s presence,” said Empowered21 President and Global Co-Chair William M. Wilson. “Believers are coming to Singapore 2017 with the awareness that God is at work specifically in this region and expect an amazing demonstration of the Holy Spirit through unique intergenerational preaching teams and anointed music led by worship leaders from across Asia.”

Pastor Niko Njotorahardjo, senior pastor of Gereja Bethel Indonesia, and Pastor Lawrence Khong, senior pastor of Singapore’s Faith Community Baptist Church, serve as the co-chairs of the Empowered21 Asia Cabinet. Asia ministry teams are gathering at church prayer towers to continually pray and intercede for the congress. The closing session will include commissioning and prayer for every attendee to experience blessing and impartation.
