

Enormous Worship Event Celebrates Sean Feucht's New Album

Praise leader Sean Feucht celebrated Feb. 22 in a big way with the release of his new album and a special worship experience at the Ambassador Auditorium in Pasadena, California.

Feucht and his team have been promoting the worship event and the *Let Us Worship Miami* album for months.

"This night is gonna be incredibly prophetic!!! Lots of prayer, worship, activation, and importation!!! I really really can't wait," Feucht posted on Instagram.

And the first 1,000 people who arrived at the auditorium received a limited edition 222 key and keychain.

Feucht even took the time to explain to his followers why the number sequence is so significant to him.

"I wanted to take a minute and share about why the number 222 is important to me and what it means," he said. "I know that since we've been sharing this over the last several months, a lot of people are caught up into the context of this meaning. Some people are not and so we're getting questions."
