

Equip Yourself to Help Take Back America's Children and Classrooms

Like many American parents, Proclaiming Justice to the Nations, a 501 (c) 3 Christian non-profit organization, has had enough of the Liberal Left's attempts to steal the minds of our children in schools with their progressive ideals, like the LGBTQ agenda and the critical race theory.

That is why PJTN has organized the "Taking Back America's Children Summit," a two-day summit in Orlando, Florida, this weekend, Feb. 12-13, to educate and activate parents and citizens across the U.S. to take back the course of education in our nation, to return America to the founding values of "one nation under God" and to insure the welfare of our next generation of leadership: our children.

The Orlando event is scheduled as the first in a series of summits planned in 2022 by PJTN. Organizer Laurie Cardoza-Moore says concerned parents and citizens must turn to Joel 3:9 for instruction on how to handle this out-of-control situation.

"Taking back our country begins with turning our hearts and minds back to GOD and His Commandments," Cardoza-Moore said. "Joel 3:9 says; 'Proclaim this to the nations, prepare for war.' At the summit, we are revealing that America is in a spiritual battle of epic proportions and what we as Christians, Jews and all people of good conscience must do about it."

Cardoza-Moore, along with Roger K. Gannam and Stephanie Maier, are among the guest speakers for the event. Gannam is the assistant vice president of legal affairs for Liberty Counsel, an organization dedicated to advancing religious freedom, the

sanctity of life and the family. Maier is a public speaker, trainer and author of numerous books including *The Righteous Fight: Reclaiming the Soul of America*.

Prepare yourself so that you can return home and equip your community. This power-packed informational seminar will effectively motivate and equip parents and patriots alike with the strategies needed to reclaim America's classrooms.

For those who haven't registered yet, seating is still available but it is limited. The summit will be held Feb. 12-13 at the Sheraton Hotel in Maitland, Florida. Find complete details and registration information now at: . {eoa}
