

Glenn Beck: Bible Shows US Among Lost 10 Tribes of Israel

Controversial radio and television host Glenn Beck recently discussed his belief that the United States is among the famous “Lost 10 Tribes of Israel” on his TV show, *The Glenn Beck Program*.

Beck gives viewers a biblical history lesson dating back to the Old Testament’s post-King David era when Israel becomes divided.

He goes on to talk about how modern symbols of our nation, such as the Statue of Liberty, the Seal of the U.S. president and the great seal of the U.S., reflect events in the Bible.
