

‘God Performed a Miracle’: Wife of Third Day’s Mac Powell Home From Hospital

The wife of Third Day lead vocalist Mac Powell has been making a remarkable recovery after spending 14 days in the hospital following a brain aneurysm.

On Jan. 11, Powell wrote on Instagram that Aimee made enough positive progress that she was able to come home for Christmas.

“Today marks six weeks since my wife Aimee woke up having a brain aneurysm which led to a hemorrhagic stroke. She spent 14 days in the hospital. Aimee is doing great and we are so blessed that she was home for Christmas.”
