

GOD TV Broadcasting America for Jesus Prayer Rally

Thousands will gather in Philadelphia this weekend for the America for Jesus solemn assembly. And GOD TV is broadcasting the potentially historic **prayer rally** live.

The two-day broadcast marathon will start on Friday at 8:30 p.m. with the Awakening Youth Rally hosted by Teen Mania Founder **Ron Luce**. Speakers at the all-day event on Saturday include Cindy Jacobs, Lou Engle and Bishop Harry Jackson.

"America is in a state of emergency evidenced by widespread moral depravity and economic meltdown," says the event's national chairperson, Anne Gimenez. "There is only one remedy: We need to renew our covenant with God. We are calling America back to God and proclaiming liberty and freedom over our nation."

America for Jesus aims to mobilize Christians in prayer, calling the church to be "the salt" that will bring healing to the nation. It was birthed out of One Nation Under God, a coalition of ministries that has organized several solemn assemblies that have attracted several hundred thousand people.

It is significant that America For Jesus 2012 will take place at the Independence Mall in Philadelphia, as this is where the Declaration of Independence was signed and where the Constitution of the United States was debated and ratified.

GOD TV has supported many prayer events for America including TheCall mass gatherings and annual **National Day of Prayer**. Rory and Wendy Alec carry a burden for America to turn back to God and encourage viewers to tune in to **America for Jesus**.

“God is calling the church in the USA to awaken from her slumber,” says Wendy, who is also GOD TV’s director of television. “We have to be stirred by God’s might and power and rise up as a righteous people, who will humble ourselves and cry out to Him so that the enemy’s plans for this nation will be reversed.”

GOD TV will also stream the event live at In addition, it can be watched on Roku streaming players () and through GOD TV’s app, available in iTunes.
