

Greg Laurie's Epic SoCal Harvest Crusade to Air Today on TBN

It's one of the longest-running and most successful evangelistic outreaches in America. In fact, since its launch nearly 30 years ago by California pastor Greg Laurie, Harvest Crusade has drawn more than 6.2 million attendees at events across the U.S., Canada and beyond, and nearly 520,000 individuals have come to faith in Christ through the worship and music, and through the simple gospel message shared by Pastor Laurie.

In late August of this year, Harvest Crusade hosted its unforgettable 30th anniversary SoCal Harvest event at historic Angel Stadium in Anaheim, California, with over 100,000 individuals and families attending the epic three-day outreach, and a total of 8,677 individuals making the all-important decision to follow Jesus Christ as Savior and Lord.

On Friday, Oct. 25, faith-and-family network TBN will broadcast the very special first night of the 2019 SoCal Harvest Crusade, featuring the contemporary worship and music of Passion and For King & Country, with a compelling message by Pastor Laurie.

Reflecting on the success of the Harvest Crusades outreach since its start in 1990, Pastor Laurie said that he and the Harvest team are thankful to God for the millions who have been impacted by the crusade events over the past 30 years, and for the half million-plus individuals who have come to faith in Jesus.

"But there's still work left to be done," he added. "Our country is in need spiritually. We need another spiritual awakening. We are praying for a 21st century Jesus revolution

to sweep across America—and we are preparing for it.”
