

Has the Fulfilling of These Prophecies Come to Pass?

Have prophetic words spoken about Benjamin Netanyahu come to pass?

Back in Sept. 2022, Joseph Z gave a prophetic word about Netanyahu and an interesting relation between him and Donald Trump.

“The sign of Benjamin Netanyahu is very similar to the sign of Donald Trump,” Z shares. “Watch for what happens with him in the fall time.”

Now that both of these world leaders have faced assassination attempts, the meaning behind this prophetic word makes lots of sense.

On Nov. 15, 2021, Z said he had previously been woken up from a dream nearly two years prior, which led to him interceding on behalf of Netanyahu.

“I began to pray out, and I began to cry out on behalf of Benjamin Netanyahu, and I began to make that the big announcement that God showed me two years ago, and I put that down on record,” Z says. “What I believe with this is they want to take him out of the way so he doesn’t become a populist mover in his arena.”

At the time, Z then said he believed strongly that someone would try to end Netanyahu’s time on this earth. In July of 2022, Z then reiterated the unction stirring inside of him that Netanyahu would be back in the news.

"I saw him at the beginning of 2020, and I released a word where I was praying for his life," Z says. "I felt like there was an attempt to take him out, but I do believe that he's going to rise up."

As we saw then just a couple of days ago, drones were launched at Netanyahu's home. The late prophet, Kim Clement, also spoke directly about Netanyahu back in 2015.

"And God says there shall be a change," Clement prophesied. "And many will weep, but I will take Netanyahu, whether ruler or not, and they shall call to him. For he is not just a king; he is a prophet."

The message from Clement also pointed out a time was coming when the fulfillment of "all the words of the prophets that have been spoken through the centuries shall be fulfilled, and shall begin to be fulfilled quickly."

As we see the signs of the end times abounding around us and prophecies come to pass, we can rest assured that all of God's plans and purposes will take place, and that the gates of hell will never prevail.
