

I Was 10 Years Old When Islamists Blew Up My Home Because We Were Christians

Brigitte Gabriel, an anti-Muslim-extremist activist and commentator, endured horrific tragedies at the hands of radicals.

"I was 10 years old when Islamists blew up my home, burying me under the rubble wounded. My only crime was that I was a Christian. At 10 years old, I learned the meaning of the word 'infidel,'" Gabriel says.

"I had a crash course in survival, living in a dark, cold bomb shelter, drinking stale water and having grass and dandelions for food. At the age of 13, I dressed in my burial clothes waiting to be slaughtered and by the age of 20, I had buried most of my friends, killed by Muslims."

Now, she's sharing her testimony in even more detail. Watch the video to hear it in her own words.
