

Is America Preparing for God's End-Times Blessings?

In the Last Days, God will align the nations back to Himself. However, as we know the ways of God are holy, so also will be the ways of those nations He directs to become His vessels.

In order for the nations to become a vessel of blessing, there are a number of prerequisites.

Becoming a recipient of the Abrahamic Covenant to bless one's nation involves binding your nation to Israel.

God is a holy God and His ways are holy.

Isaiah 14:1-2 says, "For the Lord will have mercy on Jacob, and will yet choose Israel, and set them in their own land. Then the strangers shall be joined with them, and they shall cleave to the house of Jacob. The people shall take them and bring them to their place, and the house of Israel shall possess them in the land of the Lord for servants and handmaids; and they shall take them captive, whose captives they were, and they shall rule over their oppressors."

Isaiah 56:6-8 says, "Also the sons of the foreigner who join themselves to the Lord to serve Him, and to love the name of the Lord, and to be His servants, to everyone who keeps from polluting the Sabbath and takes hold of My covenant, even them I will bring to My holy mountain and make them joyful in My house of prayer. Their burnt offerings and their sacrifices shall be accepted on My altar; for My house shall be called a house of prayer for all people. The Lord God who gathers the outcasts of Israel says, Yet I will gather others to them besides those who already are gathered to him."

A man or maidservant works in the service of another; a servant works at someone's home. In this case, it is the House

of The Lord. What an honor it would be for those nations that are selected.

God is making it very clear that those nations that will be part of this end-time blessing are those that bind themselves to Israel.

The destiny of your nation will forever be linked to God's intent that is to honor Israel and bless her as He prepares the Messiah Jesus Christ to arrive.

Binding your nation to Israel by praying for the Jewish people and making Jerusalem a praise in the earth is one element in preparing to become a vessel of blessing.

Becoming a recipient of the Abrahamic Covenant to bless one's nation by blessing Israel also involves examining the soil of your heart.

Romans 12:2 reads, "Do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is the good and acceptable and perfect will of God."

Isaiah 40:1 says, "Comfort, O comfort, My people, says your God."

Remember, God Himself is selecting the servant nations and those who make up those nations. God is examining your heart every day.

Would God use anyone to bring this comfort? Remember, it is His form of comfort.

Examining the purity of your heart will now be examined by looking at the Tabernacle of David that God is now reviving.

The Restoration of Israel and the Tabernacle of David go hand in hand. You can understand God's love for Israel by the attention He places on the Tabernacle.

“On that day will I raise up the hut of David that is fallen; I will close up its breached walls, raise up its ruins, and rebuild it as in the days of old” (Amos 9:11).

God is restoring the true pattern of worship. God has promised in His Word to bring us back to His paths in the last days. Those nations that will become a key to blessing Israel are those who conform to the image of God’s Son. In the same vein, God is using this caring attitude towards restoration of Israel.

The Tabernacle of David illustrates the true pattern of worship, reverence and intimacy that God designed and always intended for His people.

It is a plan for royal priests and kings whom God is calling and who are preparing themselves in the last days. The tabernacle of David is a path to bridal intimacy.

David’s Tabernacle illustrates the intimacy and open pathway to the kingdom of God through Jesus Christ.

At the same time that God is restoring Israel, He is bringing His bride into the true pattern of worship and adoration again.

We are at a time of harvest revelation and God is fulfilling His spoken Word.

The Old and New Testament are being united in the person of the bride. God is reviving His “called out ones” for the wedding of the Lamb.

As God prepares the nations for Himself, He is restoring His priesthood, His Kingship, and His eternal rule through His church.

Let us examine a few of these physical elements of the Tabernacle of David.

The Brazen Altar is the place of the cross and repentance and the Brazen Laver is where the continual washing of the water of God's Word is illustrated.

We are to wash daily in the water of the Word that feeds our spirit and cleanses our hearts.

The Physical Tabernacle was also made up of physical furniture.

The Golden Lampstand represents the seven spirits of God. The lamps, symbolically lit by the oil of the Holy Spirit of God, burned day and night, never to go out. We, too, are to have our spirits burning like fire day and night.

The Table of Shewbread represented a picture of the Son of God, the one who is the Bread of Life. It is the place of fresh manna. The bread is soaked in olive oil, which speaks of our being filled with the oil of the Holy Spirit.

The Altar of Incense represents perfect prayer and intercession. Jesus gave His life and offered Himself up as our Royal Priest. He became the perfect sacrifice, the perfect Intercessory incense offered to God.

It is important to look at each of these physical pieces in the Tabernacle of David to establish in our minds an idea of God's Holiness and examine the order and place of these pieces.
