

Is The Reconnection Between Christians and Jews Foundational to John 17?

The Romans 911 Project Webinar is a new one-of-a-kind virtual meeting for the Ekklesia/Church where believers from around the globe can enter into a deeper dialogue on One New Man issues. In this meeting, Grant Berry introduces the Romans 911 book focus and purpose from Chapter 1.

Romans 911 issues a call to transform and mobilize the Ekklesia/Church at this most crucial time in history to prepare the bride individually and corporately for the Lord's return through a reunited body of Jewish and Gentile believers, as well as with all races and tongues in the family of God according to John 17.

 What is the main goal of The Reconnection through John 17 love and unity? Grant led the discussion by posing three fundamental questions to the panelists regarding the Romans 911 message through The Reconnection in The One New Man (TONM). The panelists, comprised of Jewish and Gentile believers, shared compelling and thought-provoking perspectives on the issues, followed by a Q&A period.

Although restoration between Jewish (Messianic) and Gentile believers is the groundwork and focus of The Reconnection message, the overriding goal is to promote and re-establish love and unity in the body of Messiah/Christ. That's the fulfillment of Yeshua/Jesus's heart cry (see John 17:21). As we reunite as one in the family in Mashiach/Christ and rebuild the walls of love and unity, the Father can send His glory and power upon us to change the world. We need to recognize this love and unity as paramount in the kingdom; it is the golden key that opens the door to end-time revival.

Why is The Reconnection foundational to John 17 and an essential element now that Israel's awakening is upon us? The church has become fragmented and stripped of power because of disunity and loss of its identity/heritage. The first breach in the Ekklesia/Church was not with Eastern Orthodoxy in the eleventh century but with its Jewish roots and heritage when the Church merged with Rome (4th century), and we've remained separated since that time. The Reconnection message explains the process of mending this fracture between Jewish and Gentile believers first and taking back division from the devil, which will release greater power and healing to other divisions in the Church. Together, the body of Messiah/Christ needs to humble itself and allow God to heal and make the family whole, united and empowered to fulfill His purpose.

As we draw closer to the end of the age before Yeshua/Jesus returns and the Jewish people reawaken, an identity shift is necessary for the Ekklesia/Church in and with the people of Israel, especially with Jewish believers in TONM. This shift begins to prepare us for Israel's spiritual awakening, the fruit of which is the last great harvest in the nations, and the two are intertwined. Our refocus on the Gospel principal, "To the Jew first and then the Greek" (Romans 1:16), realigns the Ekklesia/Church for this purpose. We need to pray for this restoration and awakening to emerge on earth.
