

It's No Wonder Some People Don't Believe in Deliverance Ministry

A pastor in Africa is talking about casting out demons in the name of Jesus when he brings a man up. He places a hand on the man's head and prays to cast out "any demon tormenting his life."

The congregant begins to wail and spin and falls to the ground. As the scene gets really intense, his phone rings and he picks it up.

Make no mistake, God's Holy Spirit power is available to deliver people in the name of Jesus. Deliverance ministry is real. It's sad that some want to mock the power of God.
