

Jenny Weaver's Prophetic Message on Hurricane Milton

As Florida braces for Hurricane Milton, Jenny Weaver is giving a powerful prophetic message to the body of Christ about this situation.

"I have an urgent word concerning the upcoming storms, the turmoil that's happening right now with the rumors of wars and all the things happening," Weaver says in a Facebook livestream.

"The word of the Lord that I am hearing in my spirit is, 'and upon this rock, I will build My church. And the gates of hell shall not prevail against it,'" she says.

Weaver points out that the fear surrounding this storm is heightened. Our regular media consumption already tends to bring fear into the atmosphere, however, this situation has made even the church shrink back into fear.

"What has come in to bewitch you?" Weaver asks. "Who [has] bewitched you?"

She reminds believers that even in the Old Testament when the spirit of death was released, it would move on from a place when the Lord would not allow it to go somewhere.

"You've got to stop being in fear," says Weaver. "We're going to do our part, but my trust is not in the boarding of the windows. My trust is not in the panic shopping and my stockpile of toilet are people who just need to come out of this fear. This is giving 2020 COVID days. That's what it's giving online."

Weaver tells us that we do not and should not go back to those days of fear. This is because God is not in a panic or in worry. Instead, He is Lord over all. In this time, Weaver believes the Lord is asking for His church to be bold and proclaim His goodness to all creation, with the power and the authority that He has given us.

“Faith network,” Weaver says. “I saw the people of God creating something called a faith network. And this is what it looked like. It looked like every person getting on their social media, going live, doing a recorded video on either TikTok, Instagram, Facebook, YouTube, any platform that you can and we begin to enforce the narrative of heaven, not the narrative and agenda of this world. We change the narrative in the spirit. Every single person using your platform to say, ‘Come out of fear, I pray blessings on you, I pray protection on you.’”

God has promised to protect those who dwell in the secret place with Him. During these times, we must stand firm on the cornerstone, the Rock which is Christ Jesus. He is the God who does miracles, signs and wonders and He is the God who knows His sheep and will protect them.
