

Breaking News: Special Update From Ground Zero in Israel

Israel has been under attack for days from the ground and through the air. Hamas has been launching a daily barrage of missiles aimed at Israeli targets that are intended to inflict pain and damage property.

What led to these attacks? Why now? And will they ever stop?

News Correspondent Brian Bush has been living in Israel for 29 years and has first-hand knowledge of what is happening in the Holy Land, politically and spiritually.
