

Join This Prophetic Prayer Movement for the Soul of a Nation

A prophetic strategy could see the nation born again.

During the prophetic awakening—a critical message for the body of Christ—we cried out to God in repentance and for the nations. (You can watch the replay [here](#).)

Toward the end of the meeting, the Lord kept speaking to me about 90 days. I pondered that until He showed me there's a war over our nation and we need to respond. We're in a 90-day war for the soul of our nation. Whatever nation you are in, you can war for your nation in this Isaiah 66:8 prayer strike.

Isaiah 66:8 reads, "Who has heard such a thing? Who has seen such things? Shall the earth be made to give birth in one day? Shall a nation be born at once? For as soon as Zion was in labor, she brought forth her sons."

We need to labor for our nations to be born again. We need to pray without ceasing and with fervency for our nations to turn back to Christ. We need to make intercession for lost souls, praying to the Lord of the harvest to send laborers into the harvest. We need to pray for an awakening in the church.

Will you pray with me? I'm praying this prayer every day for 90 days. This 90-day war will take us right up until Nov. 3, which is Election Day in the U.S. But this is not just about the U.S. The souls of many nations are in bondage. Can you imagine the power if we all did this in unity?

A Prayer for the Soul of a Nation

Father, in the name of Jesus, forgive us of our sins and cleanse us from all unrighteousness. Forgive us for the lack

of prayer, for the abortions, for walking in fear instead of love, for being apathetic and lukewarm instead of fiery hot, for our greed and our misappropriated priorities, for not preaching the gospel, for consumerism and for following the comfort of the world. Forgive us, Lord, for sins of commission and sins of omission, in Jesus' name.

Father, we acknowledge You as the God of our nation. We give You the preeminence. We exalt You in the nation and praise Your holy name. We thank You for Your grace. We thank You for Your mercy. We thank You for Your long-suffering toward us. We thank You for Your Word. We thank You for the covenant in the blood of Jesus. We thank You for Your goodness.

Father, we lift up our nation to you. Our nation is in crisis. There's a war for the soul of our nation—a raging war that threatens to allow demonic powers to have their way in our land. We remind You of Your word in 2 Chronicles 7:14 that says, “if My people, who are called by My name, will humble themselves and pray, and seek My face and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and will heal their land.”

Father, You are our only hope. We refuse to put our trust in ourselves, our politicians, our medical doctors and others who promise solutions they cannot deliver without Your empowerment. We are subjects of Your kingdom of light, and we put our hope and our trust and our faith in You and You alone save the soul of our nation. You are sovereign, and You hear and answer prayer. So we humble ourselves before You and cry out to You for deliverance.

Revive us again, Lord. Give Your bride a hunger and a thirst for righteousness, holiness and justice. Teach us Your ways. Show us Your paths. Help us turn from our sin, from our wicked ways, from the evil desires of our heart—and toward Your generous Spirit. Help us to stop following after mammon, entertainment and selfish desires. Draw us back to You. Save

our nation, and we will be saved. Do this for Your glory and
Your namesake, oh Lord, in the name of Jesus. {eoa}
