

# Jonathan Cahn: A Prophetic Warning About Kamala Harris

In a new prophetic message by Rabbi Jonathan Cahn, Cahn unlocked some of the key areas that voters should consider when it comes to who they will cast their vote for in the upcoming election.

“One of two courses are going to be chosen for America. Never in modern times has the choice been so stark and so radical,” Cahn says. “And this is not about people. It’s about issues. The Democratic presidential and vice presidential ticket is the most radical, leftist ticket in history.”

Cahn then points out that Harris was ranked as one of the most left-leaning Senators when she was in the Senate.

“This is the most anti-life, pro-death ticket in American history,” Cahn says. “Though they tried to avoid saying it outright, both the presidential and vice presidential candidates are for abortion with no restrictions. Which means, in effect, abortion up to the moment of birth.”

Cahn further notes the dangerous policies of Harris that would eliminate restraints on abortion all across the nation.

“You see, Kamala Harris was faced with a bill dealing with babies, born alive in a failed abortion attempt. And it basically said the baby that is born, you can’t murder it. You can’t starve it to death. You can’t leave it to die. You can’t

kill it. It was the born alive bill. And do you know what she did? She came against it. A bill that says not to kill a baby that is born. She was against it; she said it was extreme.”

Cahn points out the war Harris has raged against pro-life clinics that have worked to help mothers in caring for their children, even trying to revolt against the financials of these institutions for not supporting abortion. Harris’ stance on transgenderism and the spreading of the LGBTQ+ indoctrination to children is also something voters must be wary of.

“How dangerous this would be if this one becomes president of the entire nation?” Cahn asks. “This is gigantic. Because these are issues that are central in the Bible; issues of life, of murder, of blood of the innocent, of the defenseless, of children, of gender, immorality, of oppression and persecution of God’s people.”

While the Republican Party’s stance on these issues is not perfect, Cahn says they are still much, much more pro-life than the Democratic Party. Our hope rests in God and God alone for His will to be done. However, we must keep in mind that the kind of government we usher in will either allow for the continued spreading of the gospel, or it will seek to have the door of Christianity shut.

“God said to the prophet Ezekiel that He had appointed him [as] a watchman. And if he didn’t warn the people to sound the trumpet, God would hold him accountable for their blood,” says Cahn.

Now, in the same way as Ezekiel was held accountable, we must vote or be held accountable for standing by in the middle of

darkness and evil. Voting is the action we can take to fight against the evil we are seeing in this generation.
