

Jonathan Cahn Explores the Jubilean Prophecies in 'The Oracle'

How can readers know what the future holds and what the past is hiding? And can their eyes be opened to groundbreaking mysteries that will impact not only how they understand the past, but also how they can be ready for the future?

The answer is yes, and some of these insights can be found in *New York Times* best-selling author Jonathan Cahn's newest book, *The Oracle: The Jubilean Mysteries Unveiled*, that will debut this fall.

Over the years, Cahn, the subject of a *New York Times* feature article last month, has written several smash hits, and devoted readers clamor for his work.

In *The Oracle*, Cahn, author of the *New York Times* best-sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries* and *The Paradigm*, opens up the Jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-time prophecy and much more, while seeking answers to these questions:

- Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over 3,000 years ago be determining the events of our day?
- Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States?
- Could this ancient revelation pinpoint the events of our times down to the year, month and day of their occurring?
- Could a mysterious phenomenon be manifesting on the

world stage on an exact timetable determined from ancient times?

- Could these manifestations have altered—and now be altering—the course of world events?

Cahn takes his readers on a journey to find the man called “the Oracle.” One by one each of the Jubilean mysteries will be revealed through the giving of a vision. Readers will also discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. Ultimately, *The Oracle* will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age.

As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind each door lies one of the seven streams of the Jubilean mysteries. Readers are taken on a journey, led by angelic guides, through each door and vision to uncover the ancient secrets that lie behind the world-changing events of modern times.

And as with Cahn’s other works, readers will find that the mysteries revealed within the pages of *The Oracle* are absolutely real, amazing, life-changing and mind-blowing, as they build upon Cahn’s vast knowledge of prophecy.

Cahn’s earth-shattering book *The Harbinger* became an instant *New York Times* best-seller and brought him to national and international prominence, followed by three more best sellers. Long before writing these books, he was known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import.

He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the needy. He also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews and Gentiles, people of all

backgrounds, just outside New York City, in Wayne, New Jersey. He is a much-sought-after speaker and has been called the prophetic voice of our generation. He has spoken at the United Nations, on Capitol Hill and to millions of people around the world.
