

Jonathan Cahn Issues Warning on our Divided Nation

Rabbi Jonathan Cahn is sounding the alarm on our nation's division in the middle of panic and after the attempted assassination of former president Donald Trump.

Communicating with Fox News Digital, Cahn told the outlet, "The shooting of President Trump was horrific, shocking—and yet not surprising. It is a sign of how divided our nation has become."

He warned that what happened shows how our nation is in impending danger, as we've allowed our divisions to grow greater each day.

experienced these spiritual attacks while writing his latest book, "The Dragon's Prophecy: Israel, the Dark Resurrection, and the End of Days."

This included the flooding of his church, Beth-Israel, not once but three times. He's also dealt with thieves too.

"Apparently, the enemy is not happy at all with 'The Dragon's Prophecy,' which is what we'd expect. This is a great sign. It's a sign that I believe it's going to be real powerful because the enemy doesn't waste his energy. The more he attacks, the more powerful it's going to be," Cahn says.

This is the moment for us to be praying for our both our political and spiritual leaders. The enemy will continue to attack, but the power of the Holy Spirit is so much greater than any other spiritual force.
