Jonathan Cahn of 'The Harbinger II: The Return' Asks: 'Has America Passed the Point of No Return?'

Jonathan Cahn is known the world over for his latest book, *The Harbinger II: The Return,* as well as for his previous narratives of biblical prophecy and power—several of which are right now appearing simultaneously on the Evangelical Christian Publishers Association (ECPA) Bestsellers list, as well as on other prominent bestseller lists.

Cahn is greatly concerned for the future of our country. In his original *The Harbinger,* he posed the ominous question: Is America heading to judgment at a time of great "shakings"—and what lies ahead? Now, his sequel, *The Harbinger II: The Return*, provides prophetic, biblical answers to these and other worries at a time when Americans—exhausted by the COVID pandemic, pulled apart by political disagreement and struggling to emerge from economic hardship—seek, above all, safety, security and stability.

Cahn originally wrote about the ancient template of national judgment that appeared in biblical times before the destruction of a nation. "In the last days of ancient Israel," he says, "nine harbingers of warning—prophetic signs—appeared in the land. They were warning of judgment and destruction to come."

Adds Cahn ominously, "Now, those same nine harbingers have appeared on American soil."

As revealed in the original *The Harbinger*, the first sign of warning was that the nation's hedge of protection would be lifted—and an enemy would strike the land. That terrible wake-

up call occurred on Sept. 11, 2001. The book goes on to reveal all nine harbingers that occurred after that.

But those didn't signal an end to the mystery. Instead, the signs indicated that the template of judgment was just beginning. *The Harbinger II: The Return* unveils many more secrets, revealing the mystery still continues.

Says Cahn, "According to the template, what happens next is that a nation under judgment is given a window of time to turn back—a period of grace and relief—to come back to God for revival. But if it continues to defy God, then it is headed to judgment. Since 9/11, America has departed even more from God and warred against Him. And that's exactly what ancient Israel did. It's following the same template."

Cahn adds with urgency, "The 'shakings' I refer to may include economic disintegration—we've been experiencing that. Disorder—it's happening now. Military defeat—not yet but wait. The division of the nation, the collapse of infrastructure, calamities that are both manmade and from nature—these are all happening now."

This is why, Cahn points out, so many Americans are asking: "How much time is left for us? Are we past the point of no return?" His compelling new book shares the prophetic answers.
