

Jonathan Cahn's New Book 'The Paradigm' No. 5 on New York Times Best-Sellers List

Author Jonathan Cahn is showcased on the New York Times best-seller list once again. As of Friday, Sept. 29, "The Paradigm: The Ancient Blueprint That Holds the Mystery of Our Times" () is No. 5 on the Non-Fiction Hardcover list. Individual pre-orders and launch week sales brought *The Paradigm* to this top best-seller ranking, as Cahn continues on the media trail with the nation's most recognized talk shows and print publications.

The Paradigm is Cahn's most astonishing book yet, as it uncovers the hidden story and mystery behind the most shocking headlines of our times.

Cahn's publisher, Frontline, an imprint of Charisma House, made the exciting announcement on Friday.

"This is a significant milestone for Jonathan Cahn and for Charisma House," said Marcos Perez, publisher of Charisma House. *The Paradigm* has achieved the highest ranking of any of Jonathan's books, debuting at No. 5 on *The New York Times* (Oct. 8) best-seller list and No. 12 on *USA Today's* (Sept. 24) list. We are thrilled for Jonathan."

The Paradigm, released on Sept. 19, is the fourth book from the acclaimed author and is already in its third printing at more than 350,000 copies. Cahn's previous books include *The Harbinger* and *The Book of Mysteries*. In fact, the mysteries in the immensely popular *The Harbinger*, which spent 120 weeks on the *New York Times* list, are intertwined with many of the mysteries of *The Paradigm*.

Cahn's newest release reveals how today's cultural and

political events were foretold by the Bible nearly 3,000 years ago. Cahn cites passages from 1 and 2 Kings to draw parallels between modern-day political figures and ancient leaders of Israel.

Cahn writes in his newest book, “In *The Paradigm*, it is the age itself that constitutes the prophetic revelation and the times in which we live, the harbinger. In *The Paradigm*, current events become the manifestations of an ancient mystery. We will see ancient monarchs and modern presidents merging together, the reigns and actions of ancient kings governing the reigns and actions of modern leaders, ancient scandals lying behind modern scandals and the events of ancient times determining the course, the direction and the timing of the events of the modern world.”

Known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import, Cahn unveils his most explosive book to date.

“The God of the Bible, who was actively and dynamically involved in the events of the ancient world, is just as actively and dynamically involved in the events of the modern world and of our day,” he said.

The Paradigm addresses these powerful questions:

- Is it possible there exists an ancient master blueprint that lies behind current events, and the rise and fall of leaders and governments that reveals our future?
- Could events that transpired almost 3,000 years ago be determining the news of modern times, and with it, the issues of our lives?
- Is it possible that an ancient mystery, a paradigm from almost 3,000 years ago, reveals and determines not only the American presidency, but also the timing of current events—in some cases even down to the exact dates?
- Could the ancient paradigm have pinpointed the exact

date of 9/11 before anyone had any idea? Could it have determined the exact years of Bill Clinton, Barack Obama, Hillary Clinton, Osama bin Laden, Donald Trump and others?

- And what does the ancient paradigm say about what is yet to come—our future? Could it even contain a warning critical for this hour and crucial for all to hear?
